

1 Identification

Product identifier Product name: 1-Methyl-2-phenylindole

Stock number: B22105, L13026 CAS Number: 3558-24-5 EC number: 222-618-1 Relevant identified uses of the substance or mixture and uses advised against. Identified use: SU24 Scientific research and development Details of the supplier of the safety data sheet Manufacturer/Supplier: Alfa Aesar Thermo Fisher Scientific Chemicals, Inc. Inerrito Fisher Scheman C. 30 Bond Street Ward Hill, MA 01835-8099 Tel: 800-343-0660 Fax: 800-322-4757 Email: tech @alfa.com www.alfa.com Information Department: Health, Safety and Environmental Department Emergency telephone number: During normal business hours (Monday-Friday, 8am-7pm EST), call (800) 343-0660. After normal business hours, call Carechem 24 at (866) 928-0789.

2 Hazard(s) identification

Classification of the substance or mixture in accordance with 29 CFR 1910 (OSHA HCS) The substance is not classified according to the Globally Harmonized System (GHS). Hazards not otherwise classified No information known.

I abel elements GHS label elements Not applicable Hazard pictograms Not applicable Signal word Not applicable Hazard statements Not applicable WHMIS classification Not controlled Classification system HMIS ratings (scale 0-4) (Hazardous Materials Identification System)

Health (acute effects) = 1 Flammability = 1 Flammability = 1 Physical Hazard = 1

Other hazards Results of PBT and vPvB assessment PBT: Not applicable. vPvB: Not applicable.

3 Composition/information on ingredients

Chemical characterization: Substances CAS# Description: 3558-24-5 1-Methyl-2-phenylindole Identification number(s): EC number: 222-618-1

4 First-aid measures

Description of first aid measures

After inhalation Supply fresh air. If required, provide artificial respiration. Keep patient warm. Seek immediate medical advice.

After skin contact

Immediately wash with water and soap and rinse thoroughly. Seek immediate medical advice.

After eye contact Rinse opened eye for several minutes under running water. Then consult a doctor. After swallowing Seek medical treatment. Information for doctor Most important symptoms and effects, both acute and delayed No further relevant information available. Indication of any immediate medical attention and special treatment needed No further relevant information available.

5 Fire-fighting measures

Extinguishing media Suitable extinguishing agents Carbon dioxide, extinguishing powder or water spray. Fight larger fires with water spray or alcohol resistant foam. Special hazards arising from the substance or mixture If this product is involved in a fire, the following can be released:

Carbon monoxide and carbon dióxide Nitrogen oxides (NOx) Advice for firefighters **Protective equipment:** Wear self-contained respirator. Wear fully protective impervious suit.

6 Accidental release measures

Personal precautions, protective equipment and emergency procedures Wear protective equipment. Keep unprotected persons away. Ensure adequate ventilation Environmental precautions: Do not allow material to be released to the environment without proper governmental permits. Methods and material for containment and cleaning up: Pick up mechanically.

Reactivity No information known. Chemical stability Stable under recommended storage conditions. Thermal decomposition / conditions to be avoided: Decomposition will not occur if used and stored according to specifications. Possibility of hazardous reactions No dangerous reactions known Conditions to avoid No further relevant information available. Incompatible materials: Oxidizing agents

Product name: 1-Methyl-2-phenylindole				
Hazardous decomposition products:		(Contd. of page 2)		
Carbon monoxide and carbon dioxide				
Nitrogen oxides				
11 Toxicological information				
Information on toxicological effects Acute toxicity: No effects known.	Information on toxicological effects Acute toxicity: No effects known.			
LD/LC50 values that are relevant for classification: No data Skin irritation or corrosion: May cause irritation				
Eye irritation or corrosion: May cause irritation				
Sensitization: No sensitizing effects known. Germ cell mutagenicity: No effects known.				
Carcinogenicity: No classification data on carcinogenic properties of this mater Reproductive toxicity: No effects known.	Carcinogenicity: No classification data on carcinogenic properties of this material is available from the EPA, IARC, NTP, OSHA or ACGIH.			
Specific target organ system toxicity - repeated exposure: No effects known Specific target organ system toxicity - single exposure: No effects known.	1.			
Aspiration hazard: No effects known				
Subacute to chronic toxicity: No effects known. Additional toxicological information: To the best of our knowledge the acute a	and chronic toxicity of this substance is not fully known.			
12 Ecological information				
Toxicity				
Aquatic toxicity: No further relevant information available. Persistence and degradability No further relevant information available.				
Bioaccumulative potential No further relevant information available.				
Mobility in soil No further relevant information available. Additional ecological information: General notes:				
General notes: Do not allow material to be released to the environment without proper government of the second se	ental permits.			
Do not allow undiluted product or large quantities to reach ground water, water or Avoid transfer into the environment.	coursé or sewage system.			
Results of PBT and vPvB assessment PBT: Not applicable.	Results of PBT and vPvB assessment			
vPvB: Not applicable. Other adverse effects No further relevant information available.				
13 Disposal considerations				
Waste treatment methods Recommendation Consult state, local or national regulations to ensure proper of	disposal.			
Uncleaned packagings: Recommendation: Disposal must be made according to official regulations.				
14 Transport information Not a hazardous material for transportation.				
UN-Number DOT, IMDG, IATA	None			
UN proper shipping name DOT, IMDG, IATA	None			
Transport hazard class(es)				
DOT, ADR, IMDG, IATA	A.L			
Class Packing group	None			
DOT, IMĎG, IATA	None			
Environmental hazards:	Not applicable.			
Special precautions for user Transport in bulk according to Annex II of MARPOL73/78 and the IBC Code	Not applicable.			
Transport/Additional information:	Not dangerous according to the above specifications.			
DOT				
Marine Pollutant (DOT):	No			
15 Regulatory information				
Safety, health and environmental regulations/legislation specific for the su	Ibstance or mixture			
GHS label elements Not applicable Hazard pictograms Not applicable				
Signal word Not applicable Hazard statements Not applicable				
National regulations				
All components of this product are listed in the U.S. Environmental Protection Ac All components of this product are listed on the Canadian Non-Domestic Substa	gency Toxic Substances Control Act Chemical substance inventory.			
SARA Section 313 (specific toxic chemical listings) Substance is not listed. California Proposition 65				
Prop 65 - Chemicals known to cause cancer Substance is not listed. Prop 65 - Developmental toxicity Substance is not listed.				
Prop 65 - Developmental toxicity, female Substance is not listed.				
Prop 65 - Developmental toxicity, male Substance is not listed. Information about limitation of use: For use only by technically qualified individuals.				
Information about limitation of use: For use only by technically qualified individuals. Other regulations, limitations and prohibitive regulations Substance of Verv Hinh Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006. Substance is not listed				
Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006. Substance is not listed. The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No 1907/2006 (REACH) for the manufacturing, placing on the market and use must be observed.				
Substance is not listed.	· · · · · · · · · · · · · · · · · · ·
