

Safety Data Sheet per OSHA HazCom 2012

## Pre

		red on 11/08/2013
Product name: trans-1,4-Cyclohexa	nedicarboxylic acid	
After swallowing Seek medical treatme Information for doctor Most important symptoms and effect	or several minutes under running water. Then consult a doctor. ent. <b>'s, both acute and delayed</b> No further relevant information available. <b>attention and special treatment needed</b> No further relevant information available.	(Contd. of page 1)
5 Fire-fighting measures Extinguishing media Suitable extinguishing agents Carbor Special hazards arising from the sub If this product is involved in a fire, the for Carbon monoxide and carbon dioxide Advice for firefighters Protective equipment: Wear self-contained respirator. Wear fully protective impervious suit.	n dioxide, extinguishing powder or water spray. Fight larger fires with water spray or alcohol resistant foam. <b>stance or mixture</b> Illowing can be released:	
6 Accidental release measures Personal precautions, protective equi Wear protective equipment. Keep unpro- Ensure adequate ventilation Environmental precautions: Do not al Methods and material for containmer Prevention of secondary hazards: No Reference to other sections See Section 7 for information on safe has See Section 8 for information on person See Section 13 for disposal information	otected persons away. Ilow product to reach sewage system or any water course. <b>It and cleaning up:</b> Ensure adequate ventilation. 5 special measures required. andling nal protection equipment.	
Conditions for safe storage, including Storage Requirements to be met by storeroor	explosions and fires: No information known. g any incompatibilities ms and receptacles: No special requirements. mmon storage facility: Store away from oxidizing agents. onditions:	
8 Exposure controls/personal prote Additional information about design Properly operating chemical fume hood Control parameters Components with limit values that re The product does not contain any releva Additional information: No data Exposure controls Personal protective equipment General protective equipment General protective and hygienic mea The usual precautionary measures for h Keep away from foodstuffs, beverages a Remove all soiled and contaminated clo Wash hands before breaks and at the e Avoid contact with the eyees and skin. Maintain an ergonomically appropriate v Breathing equipment: Use suitable res Protection of hands: Impervious cloves	rection of technical systems: I designed for hazardous chemicals and having an average face velocity of at least 100 feet per minute. quire monitoring at the workplace: ant quantities of materials with critical values that have to be monitored at the workplace. sures handling chemicals should be followed. and feed. bthing immediately. and of work. working environment. spirator when high concentrations are present. se for their proper condition. y depends on the material, but also on quality. Quality will vary from manufacturer to manufacturer.	
9 Physical and chemical properties	S	
Information on basic physical and ch General Information Appearance: Form: Odor:		
Odor threshold:	Not determined.	
pH-value: Change in condition Melting point/Melting range: Boiling point/Boiling range: Sublimation temperature / start: Flammability (solid, gaseous) Ignition temperature: Decomposition temperature:	Not applicable. >300 °C (>572 °F) Not determined Not determined Not determined. Not determined Not determined Not determined

## Product name: trans-1,4-Cyclohexanedicarboxylic acid

Product name: trans-1,4-Cyclohexa	anedicarboxylic acid	
		(Contd. of page 2)
Auto igniting:	Not determined.	
Danger of explosion:	Not determined.	
Explosion limits: Lower:	Not determined	
Upper:	Not determined	
Vapor pressure: Donsitu:	Not applicable.	
Density: Relative density	Not determined Not determined.	
Vapor density	Not applicable.	
Evaporation rate Solubility in / Miscibility with	Not applicable.	
Water:	Not determined	
Partition coefficient (n-octanol/water	r): Not determined.	
Viscosity: dynamic:	Not applicable.	
kinematic:	Not applicable.	
Other information	No further relevant information available.	
10 Stability and reactivity		
Reactivity No information known.		
Chemical stability Stable under recor	mmended storage conditions. <b>s to be avoided:</b> Decomposition will not occur if used and stored according to specifications.	
Thermal decomposition / conditions	<b>to be avoided</b> : Decomposition will not occur if used and stored according to specifications.	
Possibility of hazardous reactions R Conditions to avoid No further releva	ant information available.	
Incompatible materials: Oxidizing age	gents s: Carbon monoxide and carbon dioxide	
Hazardous decomposition products.		
11 Toxicological information		
Information on toxicological effects	i i i i i i i i i i i i i i i i i i i	
Acute toxicity: No effects known.		
LD/LC50 values that are relevant for Skin irritation or corrosion: Causes s	classification: No data skin irritation	
Eye irritation or corrosion: Causes se	serious eye irritation.	
Sensitization: No sensitizing effects ki	known.	
Germ cell mutagenicity: No enecis ki Carcinogenicity: No classification dat	known. ta on carcinogenic properties of this material is available from the EPA, IARC, NTP, OSHA or ACGIH.	
Reproductive toxicity: No effects kno	own.	
Specific target organ system toxicity	ty - repeated exposure: No effects known.	
Aspiration hazard: No effects known.	<b>ty - single exposure:</b> May cause respiratory irritation.	
Subacute to chronic toxicity: No effe	ects known.	
Additional toxicological information	n: To the best of our knowledge the acute and chronic toxicity of this substance is not fully known.	
12 Ecological information		
Toxicity		
Aquatic toxicity: No further relevant in	nformation available.	1
Persistence and degradability No fur	urther relevant information available	1
Bioaccumulative potential No further Mobility in soil No further relevant info	relevant information available.	1
Additional ecological information:		
General notes: Do not allow undiluted product or large	e quantities to reach ground water, water course or sewage system.	
Avoid transfer into the environment.		
Results of PBT and vPvB assessme	int	
PBT: Not applicable. vPvB: Not applicable.		
Other adverse effects No further relev	vant information available.	
13 Disposal considerations		
-		
Waste treatment methods Recommendation Consult state. local	al or national regulations to ensure proper disposal.	
Uncleaned packagings:		
Recommendation: Disposal must be r	made according to official regulations.	
14 Transport information		
UN-Number		
DOT, ADN, IMDG, IATA	Not applicable	
UN proper shipping name DOT, ADN, IMDG, IATA	Not applicable	
Transport hazard class(es)		
DOT, ADR, ADN, IMDG, IATA		
Class	Not applicable	
Packing group DOT, IMDG, IATA		
	Not applicable	
Environmental hazards:	Not applicable.	
Special precautions for user	Not applicable.	
	ex II of MARPOL73/78 and the IBC Code Not applicable.	
Transport/Additional information:		
DOT Marina Ballutant (DOT):	Ma	
Marine Pollutant (DOT):	No	
UN "Model Regulation":		USA

15 Regulatory information Safety, health and environmental regulations/legislation specific for the substance or mixture GHS label elements The product is classified and labeled in accordance with 29 CFR 1910 (OSHA HCS)	
GHS label elements The product is classified and labeled in accordance with 29 CFR 1910 (OSHA HCS)	
Hazard pictograms	
$\wedge$	
GHS07	
Signal word Warning Hazard statements	
H315 Causes skin irritation.	
H319 Causes serious eye irritation. H335 May cause respiratory irritation.	
Precautionary statements P261 Avoid breathing dust/fume/gas/mist/vapours/spray.	
P280 Wear protective gloves/protective clothing/eye protection/face protection. P305+P351+P338 IF IN EVES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue i	rinoina
P304+P340 IF INHALED: Remove person to fresh air and keep comfortable for breathing.	məmy.
P501 Dispose of contents/container in accordance with local/regional/national/international regulations.	
National regulations ' This product is not listed in the U.S. Environmental Protection Agency Toxic Substances Control Act Chemical Substance Inventory. Use of t	this product is restricte
to research and development only. This product must be used by or directly under the supervision of a technically qualified individúal as define product must not be used for commercial purposes or in formulations for commercial purposes	ed by TSCA. This
This product is not listed on the Canadian Domestic Substances List (DSL) or the Canadian Non-Domestic Substances List (NDSL).	
SARA Section 313 (specific toxic chemical listings) Substance is not listed. California Proposition 65	
Prop 65 - Chemicals known to cause cancer Substance is not listed. Prop 65 - Developmental toxicity Substance is not listed.	
Prop 65 - Developmental toxicity, female Substance is not listed. Prop 65 - Developmental toxicity, female Substance is not listed.	
Information about limitation of use: For use only by technically qualified individuals.	
Other regulations, limitations and prohibitive regulations Substance of Very High Concern (SVHC) according to the REACH Regulations (EC) No. 1907/2006. Substance is not listed.	
The conditions of restrictions according to Article 67 and Annex XVII of the Regulation (EC) No 1907/2006 (REACH) for the manufact market and use must be observed.	turing, placing on th
Substance is not listed.	
Annex XIV of the REACH Regulations (requiring Authorisation for use) Substance is not listed. Chemical safety assessment: A Chemical Safety Assessment has not been carried out.	
6 Other information	
Employers should use this information only as a supplement to other information gathered by them, and should make independent judgement information to ensure proper use and protect the health and safety of employees. This information is furnished without warranty, and any use conformance with this Material Safety Data Sheet, or in combination with any other product or process, is the responsibility of the user.	t of suitability of this of the product not in
