|     |                                       | Section 4. First Aid Measures   |
|-----|---------------------------------------|---|
| 4.1 | Description of First Aid              |   |
|     | Measures:                             |   |
|     | In Case of Inhalation:                | Remove to fresh air. If not breathing, give artificial respiration or give oxygen by trained personnel. Get immediate medical attention.  |
|     | In Case of Skin Contact:              | Immediately wash skin with soap and plenty of water for at least 15 minutes. Remove contaminated clothing. Get medical attention if symptoms occur. Wash clothing before reuse.                             |
|     | In Case of Eye Contact:               | Hold eyelids apart and flush eyes with plenty of water for at least 15 minutes. Have eyes examined and tested by medical personnel.   |
|     | In Case of Ingestion:                 | Wash out mouth with water provided person is conscious. Never give anything by mouth to an unconscious person. Get medical attention. Do NOT induce vomiting unless directed to do so by medical personnel. |
|     |                                       | Section 5. Fire Fighting Measures   |
| 5.1 | Suitable Extinguishing                | Use alcohol-resistant foam, carbon dioxide, water, or dry chemical spray.   |
|     | Media:                                | Use water spray to cool fire-exposed containers.  |
|     | Unsuitable Extinguishing              | A solid water stream may be inefficient.  |
|     | Media:                                |   |
| 5.2 | Flammable Properties an               | dNo data available.   |
|     | Hazards:                              | No data available   |
|     | Flash Pt:                             | No data available.<br>No data.  |
