

according to Regulation (EC) No. 1907/2006 as amended by (EC) No. 2015/830 and US OSHA HCS 2015

### Section 1. Identification of the Substance/Mixture and of the Company/Undertaking

- 1.1 Product Code:** 20774  
**Product Name:** Foscarnet (sodium salt)  
**Synonyms:** 1,1-dihydroxy-1-oxide, phosphinecarboxylic acid, trisodium salt; Trisodium Phosphonoformate;
- 1.2 Relevant identified uses of the substance or mixture and uses advised against:**  
**Relevant identified uses:** For research use only, not for human or veterinary use.
- 1.3 Details of the Supplier of the Safety Data Sheet:**  
**Company Name:** Cayman Chemical Company  
 1180 E. Ellsworth Rd.  
 Ann Arbor, MI 48108  
**Web site address:** www.caymanchem.com  
**Information:** Cayman Chemical Company +1 (734)971-3335
- 1.4 Emergency telephone number:**  
**Emergency Contact:** CHEMTREC Within USA and Canada: +1 (800)424-9300  
 CHEMTREC Outside USA and Canada: +1 (703)527-3887

### Section 2. Hazards Identification

- 2.1 Classification of the Substance or Mixture:**  
 Germ Cell Mutagenicity, Category 2  
 Toxic To Reproduction, Category 2  
 Specific Target Organ Toxicity (repeated exposure), Category 2

**2.2 Label Elements:**

**GHS Signal Word:** Warning

**GHS Hazard Phrases:**

H341: Suspected of causing genetic defects.  
 H361: Suspected of damaging fertility or the unborn child.  
 H373: May cause damage to {kidney, oral} through prolonged or repeated exposure.

**GHS Precaution Phrases:**

P201: Obtain special instructions before use.  
 P202: Do not handle until all safety precautions have been read and understood.  
 P260: Do not breathe {dust/fume/gas/mist/vapors/spray}.  
 P280: Wear {protective gloves/protective clothing/eye protection/face protection}.  
 P281: Use personal protective equipment as required.

**GHS Response Phrases:**

P308+313: IF exposed or concerned: Get medical attention/advice.  
 P314: Get medical attention/advice if you feel unwell.

**GHS Storage and Disposal Phrases:**

Please refer to Section 7 for Storage and Section 13 for Disposal information.

|                                                       |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |
|-------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>2.3 Adverse Human Health Effects and Symptoms:</b> | <p>Material may be irritating to the mucous membranes and upper respiratory tract.</p> <p>May be harmful by inhalation, ingestion, or skin absorption.</p> <p>May cause damage to {kidney, oral} through prolonged or repeated exposure.</p> <p>May cause eye, skin, or respiratory system irritation.</p> <p>Suspected of causing genetic defects.</p> <p>Suspected of damaging fertility or the unborn child.</p> <p>To the best of our knowledge, the toxicological properties have not been thoroughly investigated.</p> |
|-------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

### Section 4. First Aid Measures

|                                               |                                                                                                                                                                                                             |
|-----------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>4.1 Description of First Aid Measures:</b> |                                                                                                                                                                                                             |
| <b>In Case of Inhalation:</b>                 | Remove to fresh air. If not breathing, give artificial respiration or give oxygen by trained personnel. Get immediate medical attention.                                                                    |
| <b>In Case of Skin Contact:</b>               | Immediately wash skin with soap and plenty of water for at least 15 minutes. Remove contaminated clothing. Get medical attention if symptoms occur. Wash clothing before reuse.                             |
| <b>In Case of Eye Contact:</b>                | Hold eyelids apart and flush eyes with plenty of water for at least 15 minutes. Have eyes examined and tested by medical personnel.                                                                         |
| <b>In Case of Ingestion:</b>                  | Wash out mouth with water provided person is conscious. Never give anything by mouth to an unconscious person. Get medical attention. Do NOT induce vomiting unless directed to do so by medical personnel. |

### Section 5. Fire Fighting Measures

|                                              |                                                                                                                                                                         |
|----------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>5.1 Suitable Extinguishing Media:</b>     | Use alcohol-resistant foam, carbon dioxide, water, or dry chemical spray.                                                                                               |
| <b>Unsuitable Extinguishing Media:</b>       | A solid water stream may be inefficient.                                                                                                                                |
| <b>5.2 Flammable Properties and Hazards:</b> | No data available.                                                                                                                                                      |
| <b>Flash Pt:</b>                             | No data.                                                                                                                                                                |
| <b>Explosive Limits:</b>                     | LEL: No data. UEL: No data.                                                                                                                                             |
| <b>Autoignition Pt:</b>                      | No data.                                                                                                                                                                |
| <b>5.3 Fire Fighting Instructions:</b>       | As in any fire, wear self-contained breathing apparatus pressure-demand (NIOSH approved or equivalent), and full protective gear to prevent contact with skin and eyes. |

### Section 6. Accidental Release Measures

- 6.1 Protective Precautions,** Avoid breathing vapors and provide adequate ventilation.
- Protective Equipment and** As conditions warrant, wear a NIOSH approved self-contained breathing apparatus, or respirator,
- Emergency Procedures:** and appropriate personal protection (rubber boots, safety goggles, and heavy rubber gloves).
- 6.2 Environmental** Take steps to avoid release into the environment, if safe to do so.
- Precautions:**
- 6.3 Methods and Material For** Contain spill and collect, as appropriate.
- Containment and Cleaning** Transfer to a chemical waste container for disposal in accordance with local regulations.
- Up:**

### Section 7. Handling and Storage

- 7.1 Precautions To Be Taken** Avoid breathing dust/fume/gas/mist/vapours/spray.
- in Handling:** Avoid prolonged or repeated exposure.
- 7.2 Precautions To Be Taken** Keep container tightly closed.
- in Storing:** Store in accordance with information listed on the product insert.

### Section 8. Exposure Controls/Personal Protection

- 8.1 Exposure Parameters:**
- 8.2 Exposure Controls:**
- 8.2.1 Engineering Controls** Use process enclosures, local exhaust ventilation, or other engineering controls to control airborne levels below recommended exposure limits.
- (Ventilation etc.):**
- 8.2.2 Personal protection equipment:**
- Eye Protection:** Safety glasses
- Protective Gloves:** Compatible chemical-resistant gloves
- Other Protective Clothing:** Lab coat
- Respiratory Equipment** NIOSH approved respirator, as conditions warrant.
- (Specify Type):**
- Work/Hygienic/Maintenan** Do not take internally.
- ce Practices:** Facilities storing or utilizing this material should be equipped with an eyewash and a safety shower.
- Wash thoroughly after handling.
- No data available.

### Section 9. Physical and Chemical Properties

- 9.1 Information on Basic Physical and Chemical Properties**
- Physical States:** ☐ Gas ☐ Liquid ☒ Solid
- Appearance and Odor:** A solid
- pH:** No data.
- Melting Point:** No data.
- Boiling Point:** No data.
- Flash Pt:** No data.
- Evaporation Rate:** No data.
- Flammability (solid, gas):** No data available.
- Explosive Limits:** LEL: No data. UEL: No data.
- Vapor Pressure (vs. Air or mm** No data.
- Hg):**
- Vapor Density (vs. Air = 1):** No data.

|                                        |                                    |
|----------------------------------------|------------------------------------|
| <b>Specific Gravity (Water = 1):</b>   | No data.                           |
| <b>Solubility in Water:</b>            | No data.                           |
| <b>Solubility Notes:</b>               | Soluble in: water;                 |
| <b>Octanol/Water Partition</b>         | No data.                           |
| <b>Coefficient:</b>                    |                                    |
| <b>Autoignition Pt:</b>                | No data.                           |
| <b>Decomposition Temperature:</b>      | No data.                           |
| <b>Viscosity:</b>                      | No data.                           |
| <b>9.2 Other Information</b>           |                                    |
| <b>Percent Volatile:</b>               | No data.                           |
| <b>Molecular Formula &amp; Weight:</b> | CO <sub>5</sub> P • 3Na      192.0 |

### Section 10. Stability and Reactivity

|                                         |                                                                               |
|-----------------------------------------|-------------------------------------------------------------------------------|
| <b>10.1 Reactivity:</b>                 | No data available.                                                            |
| <b>10.2 Stability:</b>                  | Unstable [ ]      Stable [ X ]                                                |
| <b>10.3 Stability Note(s):</b>          | Stable if stored in accordance with information listed on the product insert. |
| <b>Polymerization:</b>                  | Will occur [ ]      Will not occur [ X ]                                      |
| <b>10.4 Conditions To Avoid:</b>        | No data available.                                                            |
| <b>10.5 Incompatibility - Materials</b> | strong oxidizing agents                                                       |
| <b>To Avoid:</b>                        |                                                                               |
| <b>10.6 Hazardous</b>                   | carbon dioxide                                                                |
| <b>Decomposition or</b>                 | carbon monoxide                                                               |
| <b>Byproducts:</b>                      | phosphorous oxides<br>sodium oxides                                           |

### Section 11. Toxicological Information

|                               |                                                                                                                                                                                                        |
|-------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>11.1 Information on</b>    | The toxicological effects of this product have not been thoroughly studied.                                                                                                                            |
| <b>Toxicological Effects:</b> | Foscarnet (sodium salt) - Toxicity Data: Intraperitoneal LD50 (mouse): 384 mg/kg;                                                                                                                      |
| <b>Chronic Toxicological</b>  | Foscarnet (sodium salt) - Investigated as a drug.                                                                                                                                                      |
