## 3. COMPOSITION, INFORMATION ON INGREDIENTS

Additional precautionary phrases are located throughout the safety data sheet.

Other hazards

2.3

Dispose of contents/container to in accordance with local

regulation

P501

Store in a well-ventilated place. Keep container tightly closed.

P403+P233

Take off contaminated clothing and wash before reuse.

P362

Rinse mouth.

P330

Call a POISON CENTER or doctor/physician if you feel unwell.

P312

lenses, if present and easy to do. Continue rinsing.

IF IN EYES: Rinse cautiously with water for several minutes.

Remove contact

P305+P351+P338

for breathing.

IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable

P304+P340

IF ON SKIN: Wash with plenty of soap and water.

P302+P352

Wear protective gloves/protective clothing/eye  
protection/face protection.

P280

Use only outdoors or in a well-ventilated area.

Conditions for safe storage, including any incompatibilities

7.2

Normal measures for preventive fire protection. For precautions see section 2.2.

Ensure there is sufficient ventilation of the area.

Avoid contact with skin and eyes. Avoid formation of dust and aerosols. Wash hands thoroughly after handling.

Precautions for safe handling

7.1

## 7. HANDLING AND STORAGE

For disposal see section 13.

Reference to other sections

6.4

disposal by an appropriate method.

Mix with sand or vermiculite. Sweep up and shovel. Transfer to a closable, labelled salvage container for

Methods and materials for containment and cleaning up

6.3

Alert the neighbourhood to the presence of fumes or gas.

Prevent further leakage or spillage if safe to do so. Do not let product enter drains or river.

Environmental precautions

## 6.2

For personal protection see section 8.

Do not attempt to take action without suitable protective clothing.

Ensure adequate ventilation. Evacuate personnel to safe areas. Avoid breathing dust.

Wear respiratory protection. Avoid dust formation. Avoid breathing vapours, mist or gas.

Personal precautions, protective equipment and emergency procedures

## 6.1

### 6. ACCIDENTAL RELEASE MEASURES

Wear protective clothing to prevent contact with skin and eyes.

Wear self-contained breathing apparatus.

Advice for firefighters

## 5.3

In combustion toxic fumes may form.

Special hazards arising from the substance or mixture

## 5.2

Unsuitable extinguishing media: no data

Suitable extinguishing media: alcohol-resistant foam, dry chemical or carbon dioxide

Extinguishing media

5.1
